Official news about the City of Cedar Park from the City of Cedar Park.

☐ ☐ ☐ It's getting hot in here. So please don't run your hose. ☐ ☐ ☐ Help us save water by staying mindful of how you use water, both outside and indoors. The City of Cedar Park has two designated days per week to water your lawn, **before 10 a.m. and after 7 p.m.**

- Odd addresses – Wednesdays and Saturdays
- Even addresses – Thursdays and Sundays
- Commercial addresses – Tuesdays and Fridays

When possible, keep an eye on the weather and let Mother Nature water for you.

Would you like to keep track of how much water you are using in your household and get notifications if your water usage is unusually high? Would you like reminders about your watering days or when your payment is due? Sign up for the [Digital Metering Portal](#) today.

Youth Sports

As some youth leagues have gotten underway, we have received questions about health protocols at these events. Here are a few State requirements to keep in mind when at a youth sports event:

Masks are required if you are unable to social distance (6 feet apart)

Group sizes should be limited to 10 people or less

Masks are **NOT** required if you are:

- 10 and under
- able to social distance
- physically participating

Children participating should minimize contact with anyone considered high risk, for 14 days

You can find the minimum standard health protocols on the Governor's page:

Trash and Recycling

Due to COVID-19, Central Texas Refuse is experiencing some labor shortages. This may occasionally affect the ability to complete some routes each day. If your trash/recycling is not picked up by 6 p.m. the day of your trash pickup, check our City Facebook page for updates for when your service will be completed. We will do our best to notify our customers when delays happen via social media. Thanks for your patience.

You are always able to report trash/recycling issues on our CP Connect 2.0 app, or on our [website](#).

Welcome to the heat of summer already Cedar Park! With all this dry weather, we now have a burn ban in effect in both Williamson and Travis Counties. While outdoor burning without a permit within the Cedar Park City limits is always prohibited, we thought we'd take this opportunity to remind you. Here's the link to our [Fire Department's Burn Ban webpage](#). It features more info, including safe grilling tips!

Fight the Bite

Williamson County and Cities Health District recently found a few West Nile Virus-positive test pools of Mosquitoes outside Cedar Park City limits. It's time to check on the 3 Ds of mosquito safety at your home.

1. Drain standing water on your property so mosquitoes won't breed.
2. Defend using an [EPA-approved](#) insect repellent.
3. Dress in long sleeves and pants and spray insect repellent on your clothes.

Find out more information on how you can Fight the Bite [here](#).

Do you or someone you know need help with rent or utilities? Williamson County is now providing rental and utilities payment assistance through partnership with non-profit organizations, as part of Phase III of Wilco Forward. Click [here](#) for more information.

On July 22, 2020, Travis County Judge Sam Biscoe issued an Order Relating to Evictions and Notices to vacate. Click [here](#) to read the Order.

CITY FACILITY CHECKLIST

Want to know if a City facility, such as a pool, park pavilion or sports court, the Library or Recreation Center, is open? Check out our [City Facility Checklist](#).

It'll show you whether a facility is open and what is the current capacity of that facility.

The July 23 City Council Meeting was entirely remote, with City Council Members as well as members of the public participating in a video conference call.

Council discussed, among other items:

- City of Cedar Park's COVID-19 Declaration of Local State of Disaster, including the Mayor's and Governor's Mask, Mass Gathering and Social Distancing Orders
- A Resolution ordering and calling a general election for November 3, 2020 for the purpose of electing the Mayor, and Council Members Places Two, Four and Six
- Resolution authorizing construction of the Fire Stations 2 and 3 bunker gear and weight rooms remodeling project
- A Resolution honoring the service and life of longtime Cedar Park Mayor and Alderman (City Council Member) Dorthey Duckett, who passed away on July 15, 2020

We ♥ the U.S. Census and with over 70 percent of Cedar Park residents having responded, it looks like y'all do too! With the rest of Texas at a completion rate of just 57 percent, Cedar Park is showing how we're the best (we may be slightly biased).

Just one more reason to ♥ Cedar Park. Keep up the good work and let's get to 100 percent! [#iheartcedarpark](#)
